Hole Advertising has endured the test of time and continues to provide exceptional value year after year. These ads are enjoyed by the golfers as they are placed right next below our tee box signs. The tee box signs display information about the hole that the golfer needs to know before they hit their shot.

Hole Advertising 7 Day Seasonal Passes – The 7 Day Seasonal Pass can not be use in place of shareholder members paying their annual dues.

Hole Advertising Transfer – Hole Advertising can be transferred for a transfer fee of \$1000 during the duration of the term – New Hole Advertiser would be required to pay for signage replacement.

If the Individual Rounds of Golf Option is Selected – Virtual Rounds of golf are placed on the Hole Advertisers account in our Point of Sale system. Only beneficiaries assigned to the account and their guests will be allowed to use passes. Physical passes are not offered and are not available

From large corporations, small businesses, hotel, restaurants, and professional services, advertising on the course to the golfers is straight forward process that will enable you to grow your business.

2020 Advertising space will be sold on a hole-by-hole basis. Hole selection will be allocated on a first-come, first served basis. This are a limited number of opportunities available. For more details please contact:
